

The background of the entire page is a photograph of a modern KONE Scenic Elevator interior. The walls and ceiling are a vibrant, glossy pink. A central light fixture on the ceiling emits a warm, orange glow. The elevator doors are closed, showing a curved, metallic finish. On the left side, a control panel is visible with an upward arrow and the number "8".

MATERIALS AND ACCESSORIES

KONE Scenic Elevators

MATERIALS AND ACCESSORIES FOR ELEVATOR CAR INTERIORS

This catalog presents our full selection of elevator car interior materials and accessories.

All the options included in our offering are designed to be both visually appealing and functional.

The materials and accessories presented in this catalog are available for KONE N MiniSpace™ DX, KONE MiniSpace™ DX, KONE N MonoSpace® DX, and KONE S MonoSpace® DX.

reddot winner 2020

Whatever type of building you're developing, we have a solution to fit your design, budget, and building-use requirements.

BUILD SMARTER

Take advantage of our new planning tools to help you save time, make the right decisions, and plan your elevator car interior down to the very last detail.

KONE CAR DESIGNER

Check out our themed design directions or create your own unique car interior by combining materials, lighting, and accessories, then bring your vision to life with 3D modeling.

KONE CAR DESIGNER MOBILE APP

Bring your elevator car designs to life with immersive virtual, mixed, and augmented reality experiences through your smartphone.

SCENIC ELEVATORS

KONE Scenic elevator solutions combine proven technology and inspiring car designs to create elevators that are attractive and spacious, and which give you the opportunity to showcase your building. They are available for KONE S MonoSpace® DX and KONE N MiniSpace™ DX elevators. Our standard scenic elevators combine the expansive views of attractive glass feature walls with our wide range of high-quality interior design options and accessories.

KONE provides innovative and eco-efficient solutions for elevators, escalators, automatic building doors and the systems that integrate them with today's intelligent buildings.

We support our customers every step of the way; from design, manufacturing and installation to maintenance and modernization. KONE is a global leader in helping our customers manage the smooth flow of people and goods throughout their buildings.

Our commitment to customers is present in all KONE solutions. This makes us a reliable partner throughout the life cycle of the building. We challenge the conventional wisdom of the industry. We are fast, flexible, and we have a well-deserved reputation as a technology leader, with such innovations as KONE MonoSpace® DX, KONE NanoSpace™ and KONE UltraRope®.

KONE employs close to 57,000 dedicated experts to serve you globally and locally.
